EXHIBITION REGULATIONS

'Au-delà des Contours'

DF Art Project Exhibition 2024

From Oct 2nd to 12, 2024

La Serre de l'Orangerie - Parc Citroën, 2 rue de la Montagne de la fage, 75015 Paris

Summary of the exhibition:

Beyond the Contours

An Exploration of Figurative Destructuralism.

Beyond the Contours evokes the idea of going beyond the traditional boundaries of figuration by pushing the frontiers of artistic expression. Figurative Destructuralism, as an artistic movement, challenges preconceived notions of figurative representation by deconstructing forms and exploring new perspectives.

In this exhibition, artists explore the infinite potential of deconstructing contours in their artistic practice. They reject the fixed conventions of realistic representation and seek to capture the essence of the subjects depicted. By fragmenting forms, playing with perspectives, and experimenting with new means of expression, they create works that defy traditional viewer expectations.

The artists use deconstruction to transcend the limits of figuration. They explore the multiple dimensions of reality and question preconceived ideas about artistic representation. Contours are no longer perceived as rigid boundaries but as flexible elements that push the limits of creativity.

Through diverse mediums such as painting, sculpture, photography, drawing, and installations, the artists in this exhibition explore the deconstruction of contours in innovative and captivating ways. They create works that invite viewers to question their usual perception of figuration and to explore new perspectives.
